

# BUSINESS FACTS

Your source for all construction industry information, leads, prospects and news!

## Weekly Status Changes for Businesses!

Business Facts is must have information for any company or professional involved in business-to-business selling, aftermarket sales, direct mail or telemarketing sales.

Business Facts provides your sales staff with hundreds of up-to-date verified sales leads for businesses just starting up, new to an area, expanding internally or externally, or otherwise changing in status. The report features:

- Over 12,000 businesses were reported in Business Facts last year alone. Detailed information such as company name, address, phone number, fax number, business classification, number of employees, the year the company was established, SIC code, contact name and other important facts are in every Business Facts report.
- All Business Facts information is gathered and derived from current new business license activity, occupancy permits and commercial building permit activity, as well as exclusive DEC International research sources.
- Timely, accurate and comprehensive, Business Facts has the most researched and verified new business leads of any available metro Atlanta source.
- Business Facts reports are extremely user friendly—published in a unique “fast-read” format, sorted by county and alphabetized by company name.
