

PROSPECT FACTS

Your source for all construction industry information, leads, prospects and news!

Pre-Planning & Planning Stage Opportunities!

Pre-planning and planning stage opportunities. Prospect Facts delivers early stage information comprised of upcoming private sector projects not generally available from other sources.

Updated each day, Prospect Facts covers those "hard to find" negotiated, owner bid direct, design-build and invited bidder projects. Prospect Facts is truly a must for all construction professionals who need to discover commercial and industrial projects at the pre-bid stage. Especially beneficial for general contractors, engineers, subcontractors, suppliers and manufacturers who want to find new projects or need to be specified. Hundreds of potential construction projects are continuously researched and tracked through DEC International's huge database and published for our customers as researchers determine its validity, usefulness and timeliness for our members.

With Prospect Facts you get a daily updated report of those hard to find early stage projects. DEC International has been providing quality and verified project leads for over 30 years. See what projects you are missing out on!

Prospect Facts is truly a must have tool for construction professionals who need access to commercial and industrial projects at the pre-bid stage!

Hear What Our Customers Say...

"We have successfully used DEC International's market intelligence for new construction projects for the past 3 years. We are very happy with the excellent service and the constant, reliable, accurate supply of current leads that has helped us stay in business!"

Samantha Watkins
Owner, Progressive Drywall
